The weather was rather unfavorable all week, with the exception of Saturday night, for tent shows, yet the attendance was large every night. Had the weather been more favorable the large tent would have been packed every night. Sidewalk in Bad Condition. The sidewalk from Jackson street across the flat to the silk mill and other industries is in a bad and dangerous condition and should be repaired before some person gets seriously injured by falling through it or falling off it. A subscription was raised by the town people to build the sidewalk when the silk mill was built, but now the silk mill, glass plant, two brick plants, macaroni factory and American Production Co. are interested in keeping up this sidewalk and there should be no trouble in raising sufficient money among the six industries to build a new and substantial sidewalk, and it should be done as soon as possible.

MURDER AT SOLDIER SUNDAY. Michele Nobile Shot Angelo Cordouno—Both Loved Congetina Angello.

Sunday evening a murder occurred at Soldier, a mining town near this place. Two Italians, Michele Nobile, aged 22 years, and Angelo Cordouno, aged about 30 years, were both in love with Congetina Angello, aged 15 years. Cordouno was madly jealous of Nobile and it is said that about a month ago he attempted to kill Nobile, shooting at him four times, but failed in his murderous attempt. It is claimed that Cordouno met Nobile Sunday and told him he would kill him Sunday night. About eight o'clock Sunday evening the two men met on the street and Nobile shot Cordouno twice, both bullets striking him in the abdomen. One ball went clear through Cordouno. After shooting his rival Nobile escaped and it is doubtful whether he will be apprehended or not. Cordouno lived four hours and died at midnight.

The body was brought to Hughes' undertaking rooms Monday and was buried yesterday forenoon.

Trolley Road a Go. We are now glad to announce that the trolley road from South Bethlehem to New Maysville is almost a certainty. Some time ago it looked as if the project might fall through on account of opposition in Redbank township. But by the persistent work of the President of the Trolley Company, Mr. W. T. Cox, of Reynoldsville, the obstacles have been swept away and the road practically assured. Mr. Cox has spent the last two weeks in this vicinity and has succeeded in getting the right of way from the Supervisors of Red Bank township, and has secured the interest of the most influential men of the township to his project. We think our people will not fully appreciate the service Mr. Cox is rendering us until we get the road, and then we know that they cannot fail to do so.—New Bethlehem Vindicator.

Burns Declared the Legal Head.

Judge Anderson, of the Supreme Court of the District of Columbia, this week signed the decree in the case in which John Hayes and his faction are deposed from control of Knights of Labor and Simon Burns declared to be the legal head. The decree is a most sweeping one and decides every point at issue in favor of the Burns faction. While the latter has not yet secured control of the property of the order it can in no way be used by Hayes. Even if he files a supersedeas bond and takes the case to a higher court Hayes cannot print the "Journal" or receive any money or mail in connection with the order. Hayes has given notice that he will appeal the case, but there are few who think that it will be taken higher.

The amount of the bond in the event the case is taken higher was fixed at \$15,000. The defendant has 20 days in which to file his appeal and while the property remains in the hands of Hayes until the expiration of that time, he is enjoined from using it.—Commoner and Glasworker.

She got the money. May 19 another woman called on Mr. Hughes and told a pitiful story of a sick baby at home and wanted to borrow 30 cents to buy medicine for her baby, but as the other two women had not liquidated the small amounts they had borrowed, Mr. Hughes began to think he was being imposed on and he refused to give the third woman any money. All three were young looking women.
